Hello David and Paul,

We just confirmed with Jamie Vargo our paralegal (cc'd) that the production will be through Box. Could you please let us know which email addresses you would like us to give access permissions to for that download link?

We will include the two of you and know that you mentioned that you would be providing contact information for Michelle as well, but please let us know if there is anyone else from your team that you would like to have access to that production link.

Thanks,

Austin
